

## Major Incident

You are the most senior doctor in your department when a call comes through of a bus crash and a major incident standby

Who will you inform (2 marks)

*Consultant, shift leader, hospital manager*

What will be your actions (1 mark)

*See how many patients are in dept. Warn staff*

The Standby is then altered to a Major incident declared. You are still the most senior doctor in the department as the bus crash has created severe traffic congestion.

What will be your first actions? 1 mark

*Initiate Major incident callout*

*Allocate roles from major incident cupboard*

How will you deal with the patients in the waiting room? 1 mark

*Tell them to go home or to a WIC*

How will you deal with the patients in the Minors area? 1 mark

*Same*

How will you deal with the patients in the Majors area? 2 marks

*Either one patient to each ward, or to eg day case surgery ward*

When patients start to arrive, what should be your role while you are the senior doctor? (1 mark)

*Triage at the door*

Name types of triage used in a major incident. 1 mark

*Sieve and Sort*
